THE BUZZ OF BUSINESS AT THE LEADING STORE

There's no sound more welcome to a merchant's ear It tells him the buying public is at his back. It is an endorsement of his business methods-a vote of appreciation for all his thought, care and investment of capital

It proves to him that he is proving worthy of public trust. This business begins to buzz. We shall not be content with business merely buzzing this seasonwe want to make it hum. This store is filled with material to do it with, and all of the right sort.

Here is some of the material:
